SPRING INTO SUCCESS

April gave us plenty of opportunities to stay connected as a team while making the most of the month together. From team outings to quality time outside of the office, we continued building the kind of relationships that strengthen our culture and make our day-to-day work even more meaningful.

TEAM NIGHT AT MAIN EVENT

IN-OFFICE VISIT

This month included a variety of fun activities that brought everyone together. We spent time golfing and fishing, enjoyed a team night at Main Event in Colorado Springs, and wrapped up other evenings with bowling, billiards, and a team dinner. These moments gave us the chance to relax, laugh, and enjoy each other's company while creating memories along the way.

BOWLING & BILLIARDS

We also had the opportunity to host visitors from another office this month. It's always exciting to connect with other teams, exchange ideas, and strengthen relationships across offices. Opportunities like these remind us how valuable collaboration and shared experiences can be.
